

# Christine Passig

VOCAL ~ PIANO ~ SOLO PERFORMER

Christine began performing at a young age - elementary choir solos, middle school talent shows, high school and college performances. She's been a part of the local band, JustUs, for the past 7 years. She's also a sought-after accompanist and wedding musician.

Christine delivers a polished, magnetic performance on the stage: just a solo voice with a bright red keyboard. She's an accomplished pianist and vocalist, tackling the "tough stuff" (Sara Bareilles, Tori Amos, Martina McBride) and she doesn't hold back.
